Treatment Goals

Anything else you would like the hygienist/dentist to know:

Please note: We feel that each patient's time is valuable. When your appointment is made, a room is reserved, your records are prepared, and special instruments are readied for your visit. Except for emergency treatment for another patient, you can expect us to be prompt. We, of course, would appreciate the same courtesy from you. We ask that if you must change an appointment, please give us at least 48 hours notice. Also, we do require radiographs to provide comprehensive care to our patients.
